

## COOKIE POLICY

Last updated: 28 May 2026

This Cookie Policy provides detailed information on the use of cookies on Designsmarket practices and their implications. If you have any questions, contact us as indicated in the last section ("CONTACT INFORMATION") of this document.

By using our website, you agree to the use of cookies as described in this Policy. If you disagree with anything stated in this document, please discontinue the use of this website.

### WHAT ARE COOKIES?

Cookies are small text files stored on your device (such as a computer or smartphone) when you visit a website. They contain information about your interaction with the website, allowing it to remember your preferences and actions over time. This functionality enhances your browsing experience by saving settings and preferences for future visits.

Cookies serve various purposes, including storing login information, language settings, and other preferences. They are essential for the functioning of the website and improving user experience. Additionally, cookies can track user behavior, helping website owners optimize functionality and content.

Cookies can be set by the website you are visiting (first-party cookies) or by other services (third-party cookies) authorized by the website to provide additional content, run features like analytics and advertising, and track user interactions across different sites.

### HOW WE USE COOKIES

Our website uses both essential and optional cookies to provide a smooth browsing experience and support various functionalities. Below is an overview of the types of cookies we use and their purposes:

1. **Essential Cookies:** These cookies are vital for the core functions of our website, such as security, network management, and accessibility. They enable essential features like secure logins and page navigation. Because they are crucial for the website's operation, your consent is not required to store these cookies on your device.
2. **Optional Cookies:** While not necessary for basic website functions, these cookies significantly enhance your user experience. They include:
  - a) **Functional & Performance Cookies:** These cookies improve the website's performance and functionality by remembering your preferences and settings, such as login details and language choices. Disabling these cookies may result in a less personalized browsing experience.
  - b) **Analytics Cookies:** These cookies collect information on how visitors interact with our website, such as pages visited, time spent on the site, and traffic sources. This data helps us understand user

behavior and improve website performance. They enable us to track and analyze metrics to identify areas for improvement.

c) **Marketing & Advertising Cookies:** These cookies make advertising more relevant to your interests by preventing the same ad from appearing too frequently, ensuring ads are displayed correctly, and sometimes selecting ads based on your interests. Advertising cookies help us and our partners deliver tailored advertisements, enhancing the relevance of the marketing content you receive.

## MANAGING COOKIE SETTINGS

You have complete control over your cookie settings, allowing you to manage how cookies are used on our website according to your preferences and needs. Below, you will find detailed information on how to manage and customize these settings effectively.

### Managing Essential Cookies

Essential cookies are indispensable for the basic functionalities of our website, such as logging in and navigation. These cookies ensure that the website operates smoothly and securely, providing you with a seamless user experience. Because they are critical to the operation of the site, essential cookies do not require your consent. Consequently, they cannot be disabled. Without these cookies, certain services and features of the website may not function properly, which could impact your ability to use the site effectively.

### Managing Optional Cookies

For cookies related to performance, functionality, analytics, and advertising, you have the option to accept or decline them. These cookies help us enhance your experience, understand how our site is used, and deliver tailored content and advertisements. You can manage your cookie preferences through your browser settings or directly through our cookie consent tool available on our website.

When you visit our website, you will notice a cookie banner at the bottom of the page. This banner provides you with the choice to either allow or refuse these non-essential cookies. If you choose to allow these cookies, you consent to the use of all cookies, including those for performance, functionality, analytics, and advertising. This enables us to provide you with the best possible experience on our website.

If you choose to refuse these cookies, the non-essential cookies, such as those for performance, functionality, analytics, and advertising, will be disabled. Only essential cookies will be allowed, as they are necessary for the basic functionalities of our site (please refer to the above clause for more details).

You can change your cookie preferences at any time. If you initially allowed non-essential cookies, you can later refuse them. Similarly, if you initially refused non-essential cookies, you can later allow them.

As mentioned, you also have the option to manage your preferences through your browser settings. Most web browsers automatically accept cookies, but you can modify your settings to decline them or receive alerts when a cookie is being placed on your device. Additionally, browsers typically allow you to delete cookies already placed on your device, either entirely or for a specified period.

By taking advantage of these tools and resources, you can effectively manage your cookie preferences, ensuring that your online experience aligns with your privacy expectations.

## PERSONAL DATA AND COOKIES

Cookies may collect personal data, such as your IP address and browsing habits. We treat this data with strict confidentiality and comply with relevant data protection laws. For more information on how we process and protect your personal data, please refer to our Privacy Policy available on our website.

## COOKIE LIFESPAN

We are committed to implementing responsible cookie storage practices to ensure your privacy and enhance your browsing experience. Below, we outline the different types of cookies we use and their respective durations:

### (a) Session Cookies

Session cookies are temporary cookies that are deleted automatically when you close your browser. These cookies are used to maintain your session and ensure seamless navigation during your visit. They help us remember your actions from page to page, allowing you to navigate our website efficiently and securely without having to log in repeatedly.

### (b) Persistent Cookies

Persistent cookies remain on your device for a specified period, even after you close your browser. These cookies remember your preferences and login details across multiple visits, making your experience more convenient and personalized. We typically limit the storage duration of these cookies to around 24 months. This means that after this period, the cookies will automatically expire and be deleted from your device.

By using both session and persistent cookies, we aim to provide you with a smooth and personalized browsing experience while also respecting your privacy and data security.

If you have any concerns or need further information about our cookie storage practices, please feel free to contact us.

#### UPDATES TO THIS POLICY

We may update this Policy periodically to reflect changes in our practices or for regulatory reasons. Please revisit this document regularly to stay informed about our use of cookies. Significant changes will be communicated on our website or through direct notifications if necessary.
